Campfire Circle Sponsorship

There are several ways you can support the campfire circle projects. Dimensions of each brick is in inches.

**Walkway Bricks — $35 (4 x 8)**
These bricks will form the path that campers use as they enter campfire for that special time each night.

**Campfire Circle Bricks — $150 (8 x 8, 12 x 12)**
These bricks will line the inner circle around the campfire.

**12 Long Benches — $1000**
The campers sit on these benches that surround the campfire.

I would like to sponsor a:

- [ ] Walkway Brick $35
- [ ] Campfire Circle Brick $150
- [ ] Long Campfire Bench $1000
- [ ] Monetary Donation (no name or engraving included)

**Engraving for:**
- walkway bricks — 3 lines of text not more than 14 characters/line
- circle brick — 6 lines of text not more than 14 characters/line
- bench — 2 lines of text not more than 30 characters/line

4-H Pledge:

I pledge …

My Head to clearer thinking,
My Heart to greater loyalty,
My Hands to larger service, and
My Health to better living for my club,
My community, my country, and my world.

---

“Grandma Betsy”
Campfire Circle Project

It all started with the desire to honor a long time 4-H volunteer.

Finally the dream has become a reality.

Virginia Cooperative Extension
A partnership of Virginia Tech and Virginia State University
www.ext.vt.edu

Virginia Cooperative Extension programs and employment are open to all, regardless of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, or marital or family status. An equal opportunity/affirmative action employer.

Issued in furtherance of Cooperative Extension work, Virginia Polytechnic Institute and State University, Virginia State University, and the U.S. Department of Agriculture cooperating. Mark McCann, Director, Virginia Cooperative Extension, Virginia Tech, Blacksburg; Alma C. Hobbs, Administrator, 1890 Extension Program, Virginia State, Petersburg.
GRANDMA BETSY
ORROCK

Betsy Massey was raised in Spotsylvania and graduated from Spotsylvania High School in June, 1974. She married Robert D. Orrock, Sr. and moved to the Orrock Farm in Caroline County. Betsy and Bobby had 3 children, Robert Jr., Lila, and Welford.

4-H was a big part of the Orrock family. Betsy became involved in 4-H when her children became old enough to join. She worked year-round in the local Extension Office and served as a 4-H Camp Adult Volunteer. All three Orrock children attended camp at the Northern Virginia Educational Center in Front Royal every summer and continued on as summer staff members for several years. Betsy and her children were in the 4-H Fashion Revue and Share-the-Fun shows and were members of the Teen Club in Spotsylvania County.

Betsy was told she had ovarian cancer in 1997. She fought bravely for almost 4 years. Throughout that period, she always had a positive outlook and lived every day to its fullest. She also continued to serve as a 4-H volunteer at camp.

Betsy graduated from the University of Mary Washington in 1989 with a degree in Elementary Education. She taught Special Education at Bowling Green Elementary from 1989 to 2000 and then at Battlefield Elementary in Spotsylvania from 2000 until her death.

The circle is round, it has no end, That’s how long I want to be your friend.

The new campfire circle will create thousands of memories for all the children that camp at the Northern Virginia 4-H Educational Center.

Campfire is a very special part of the 4-H camp experience. It was one of Betsy’s favorite things about camp. The Spotsylvania County 4-H Clubs thought this would be a great project to build in memory of “Grandma Betsy”.

The benches are in place but the campfire circle is not complete. We still need to complete the brick walkways and fire ring.

This is where you can help!
Sponsor a walkway brick, campfire ring brick, bench, or make a monetary donation to support the “Grandma Betsy” Campfire Circle Project

“The circle is round, it has no end, That’s how long I want to be your friend.”

The Campfire Circle Project

Why build a new campfire circle?

The old campfire circle at the NOVA Center was too small to comfortably hold more than 320 campers. Many of the camping groups exceeded this capacity. After 15 years of heavy use and wear during camping season, it began to deteriorate and started causing safety concerns.

The new circle holds approximately 500 people, enabling everyone to experience campfire. It consists of bench type seating with composite decking boards that will increase camper safety and extend the lifespan of the structure.

Old Campfire Circle

New Campfire Circle

Dedication Ceremony
April 23, 2009
4:30 p.m. Dedication
5:00 p.m. Reception and Refreshments
