
This issue of Horizons presents a list of REAP’s publications since 1989, when REAP began. REAP has four primary publication series: 1) Horizons, published bimonthly with articles on research or current issues of concern to rural Virginia; 2) The State of Rural Virginia, published two to three times per year with graphs and charts depicting economic trends and conditions affecting rural Virginia; 3) REAP Reports, presenting the results of REAP supported research; and 4) REAP Policy Papers, discussing current issues and their public policy aspects. REAP also publishes occasional special reports, proceedings of conferences, etc. All REAP publications as of March 2000 are listed below by general subject area. To request any publication, please contact the REAP office using the information in the Notices section: “How to Reach Us.”

Competitiveness and Opportunity in Virginia Agriculture

Horizons

- “Part-time Farming in Virginia” by Judith Stallmann; and “A Unique Approach to Farm Labor Problems” by Chip Planck. March/April 1990.
- “Focus on Alternative Agricultural Opportunities...Developing a Market for Non-Traditional Products” by Charles Coale; and “Economically Speaking of Alternative Opportunities in Virginia...” by Daniel Taylor. July/August 1990.
- “Emphasis on Feedgrains and Livestock...The Future of Virginia Corn Production” by Joseph Coffey; and “Problems Faced by Virginia Swine Producers” by Suzanne Thornsbury. September/October 1990.
- “Reduce Food Losses...Feed the Hungry” by Karen Mundy. July/August 1997.

Reports
